

St. Cloud Technical and Community College through the **Minnesota Advanced Manufacturing Partnership Project (MNAMP)** is offering 8-week training courses, 2 hours each day for \$99.

Session 206

June 12 – August 4

- GD&T Geometric Dimensioning and Tolerancing
- Print Reading
- Safety Awareness
- Quality Practices
- Technical Math
- Career Success Skills

Courses are led live by instructors via mediated telepresence, which allows employees to take the training right at their company.

To learn more about the Minnesota Advanced Manufacturing Partnership Project, visit our website: <http://www.mnamp.net/>

Registration is now ON-LINE ONLY:

www.southcentral.edu/connect by Friday, May 26th.

View course registration flyer and Registration Details Form.

Form to be completed and sent to Cheryl Brown at SCTCC by enrollment deadline, which is Friday, May 26th:

1. **MnAMP – Participant Intake Form** (*for new students taking MnAMP grant courses*)

View intake form.

- The MnAMP intake paperwork enrolls student under the grant, which is required by the Dept. of Labor since the grant is providing funding for +Connect courses for a limited time.
- All data is kept secure and confidential according to FERPA laws.
- The student *cannot* take a MnAMP-funded course without completing this intake paperwork.
- We cannot accept incomplete forms – All fields must be filled in, including signature areas.
- The student only needs to fill out this paperwork ONE time.
