Dear Sandy,

St. Cloud Technical & Community College and the SCTCC Foundation are pleased to announce the following student has been awarded your scholarship. We believe the recipients this semester represent the best and brightest students that SCTCC has to offer. The selection committee has awarded the following student with a scholarship that was made possible by your investment.

**Central Minnesota Manufacturers Association Scholarship**

We cannot thank you enough for your generosity. Every scholarship dollar reflects an investment in our students, our college, our community, and our future. As stewards of your trust and resources, our students are our best ambassadors.

You are a member of a large group of individuals whose collective generosity has provided over 4000 scholarships totaling over \$2,420,000 since 1998.

You have truly made a difference in the lives of our students and our community. Thank you.

Sincerely,

Lori Kloos  
SCTCC Interim President

Holly Swenson  
SCTCC Foundation President

I would like to express my gratitude for this scholarship. It is a special feeling when somebody has confidence in you and recognizes your hard work. Our society needs more people like those funding this scholarship program because education and career development is one of the most important aspects of our lives, communities, and our country. Thank you for recognizing my hard work and dedication
